

18th edition

EESM

ELECTRONIC EMBEDDED SYSTEMS MEETINGS

by *DeciElec*

SEPTEMBER 24 | 25, 2025

MEETT - TOULOUSE, FRANCE

Congress & Exhibition Center

**Business Convention for Electronics, Connected and Embedded Systems,
Power Electronics and Energy Dtorage**

www.ees-meetings.com

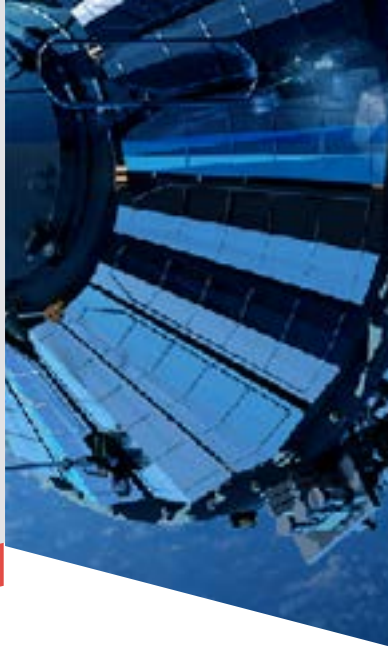

Organised by

Co-hosted with

Electro Embedded Systems Meetings by DeciElec, the must-attend event for embedded electronics professionals. Formerly known as DeciElec, our biennial event will now be held at **MEETT, Toulouse**.

Dedicated to **Connected and Embedded Systems, Power Electronics and Energy Storage**, this event is the perfect opportunity to **develop your professional network** through meetings between principals and suppliers, discover the latest technological advances and meet industry experts through the conference program.

Who Participates

BUYERS

Buyers From Purchasing, R&D, Technology, Production, G.M. Dpt

- Automotive manufacturing
- Autonomous vehicles
- Electric aircraft & vehicle
- Hydrogen technology
- Unmanned aerial vehicle (UAV)
- Urban and road transport
- 3D printing/Additive Manufacturing
- Artificial Intelligence applications (IA)
- Cybersecurity
- Internet of Things (IoT)
- Medical imaging
- Renewable energies
- Robotic / Automation
- Edge Computing
- Machine Learning algorithms
- Sensor, Control, Measure
- Battery and energy storage
- Electric motor control (SW and HW)
- Power electronic
- Smart grid technology

SUPPLIERS

- Aeronautic equipment manufacturing
- Automotive manufacturing
- Autonomous vehicles
- Electric aircraft & vehicle
- Hydrogen technology
- Hyperloop technology
- Unmanned aerial vehicle (UAV)
- Urban and road transport
- 3D printing/Additive Manufacturing
- Artificial Intelligence applications (IA)
- Cybersecurity
- Internet of Things (IoT)
- Renewable energies
- Robotic / Automation
- Edge Computing
- Machine Learning algorithms
- Sensor, Control, Measure
- Battery and energy storage
- Electric motor control (SW and HW)
- Power electronic
- Smart grid technology

**2023
Key Figures**

400
participants

250
companies

95
exhibitors

3500
B2B meetings
